1. Except as otherwise provided in subsection 2, each foreign corporation doing business in this state shall, not later than the month of March in each year, publish a statement of its last calendar year's business in two numbers or issues of a newspaper published in this state that has a total weekly circulation of at least 1,000. 2. If the corporation keeps its records on the basis of a fiscal year other than the calendar, the statement required by subsection 1 must be published not later than the end of the third month following the close of each fiscal year.

A corporation which neglects or refuses to publish a statement as required by this section is liable to a penalty of \$100 for each month that the statement remains unpublished.
